SYI 2015 - Our Best Year Yet

Twenty four students from sixteen Milwaukee schools participated in the 2015 Marquette Law School and Eastern District of Wisconsin Bar Association Summer Youth Institute (SYI). The SYI is designed to introduce middle and high school students from the City of Milwaukee to the legal system, expose them to careers in law, and provide them with practical tools for their educational goals.

Class of 2015 with the Honorable Pamela Pepper

Each year the students experience various field-trip experiences. Some of the recent places visited include, Rockwell Automation, Johnson Controls, and the law firms of Gonzalez Saggio & Harlan and Foley & Lardner. The seven day program culminated in student presentations of oral arguments before an esteemed panel of judges including William Callahan, Rebecca Dallett, Lindsey Grady, Michael Halfenger, Beth Hanan, David Jones, Kevin Martens, Dee McGarity, Marshall Murray, Stephanie Rothstein, and Diane Sykes.

*Nhia Her, Hmong American Peace Academy
& Attorney John Van Lieshout*

SYI students are invited to participate in the Honorable Charles N. Clevert, Jr., Mentoring Program. Students met their mentors during the luncheon program on the first day of the Institute and continue to stay in touch throughout the academic year and beyond. Mentors are members of the Eastern District of Wisconsin Bar Association who are willing to share experiences and advice, as well as help students to explore the legal profession.

MILWAUKEE

Honorable Charles N. Clevert Internship Program

To continue to nurture the interest in careers in law, the Eastern District of Wisconsin Bar Association places graduates of SYI who have participated in the Mentoring Program in a full-time, four-week internship program in participating law firms, government agencies, non-profits, corporations and judicial chambers. Upon completion of the internship, students receive a scholarship. Since its launch in 2014, 33 SYI graduates have completed the Honorable Charles N. Clevert Internship Program.
