# SYI 2016 - Our Best Year Yet

Twenty-three students from eleven Milwaukee schools participated in the 2016 Marquette Law School and Eastern District of Wisconsin Bar Association | Summer Youth Institute (SYI). The SYI is designed to introduce middle and high school students from the City of Milwaukee to the legal system, expose them to careers in law, and provide them with practical tools for their educational goals.

"I found it interesting to sit in on cases."

During the seven day program, in addition to having several guest speakers, the SYI 2016 class visited the federal courthouse, the Milwaukee County Courthouse, Harley-Davidson, Robert W. Baird, and Foley & Lardner.

SYI students are invited to participate in the Honorable Charles N. Clevert, Jr., Mentoring Program. Students met their mentors during the luncheon program on the first day of the Institute and stayed in touch throughout the program and beyond. Mentors are members of the Eastern District of Wisconsin Bar Association who are willing to share experiences and advice, as well as help students to explore the legal profession.

"My favorite part of the day was meeting my mentor!"
